The pathways through high school are memorable ones. We hope that through our yearbook we have protrayed a span of these pathways to the future upon which each of us travels.

Education is in itself a wide and heavily traveled pathway. There are many forks in this pathway—each leading to a goal set by those who are traveling upon it.

Just as some roads are unpaved, so are some pathways to success unpaved. There are many rough and threatening sections However, if the goal is kept in view, all difficulties can be surmounted; and the pathways will have served their purpose of furnishing a means of guidance.

With all these things in mind, we present to you the 1965 SANDBUR.

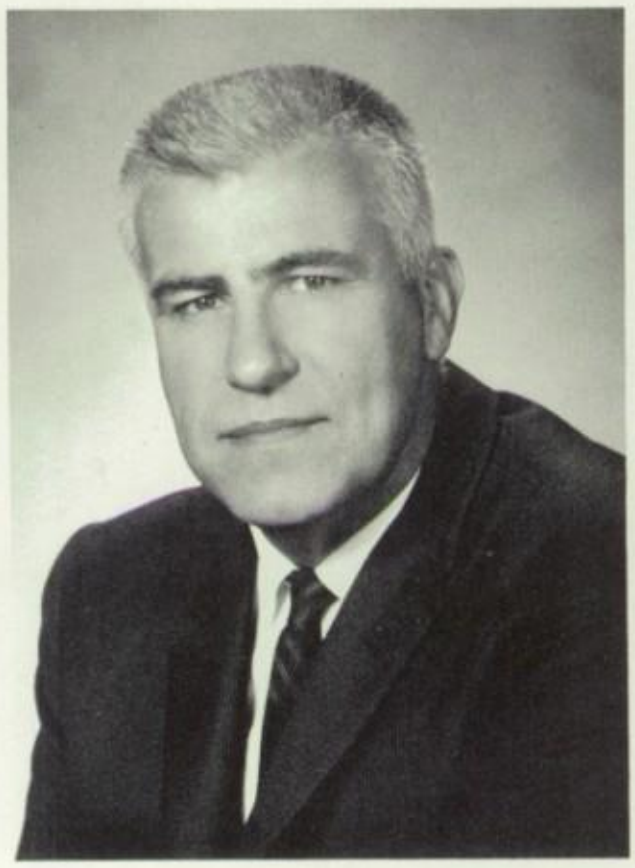
Administration Performs Valuable

Ralph Harbison
Indiana State . . . . . M.S.
Superintendent

School—education—graduation—jobs—citizenship—are all words that you have used and discussed while attending Knox High School. The meaning of these words is perhaps different for each of you.

The School Board, your teachers, and your parents hope you have grown in wisdom, judgment, and ambition during the past year. To our seniors, we wish the best of what life can give. To our underclassmen, we look forward to working with you that your dreams may be a reality in the years to come.

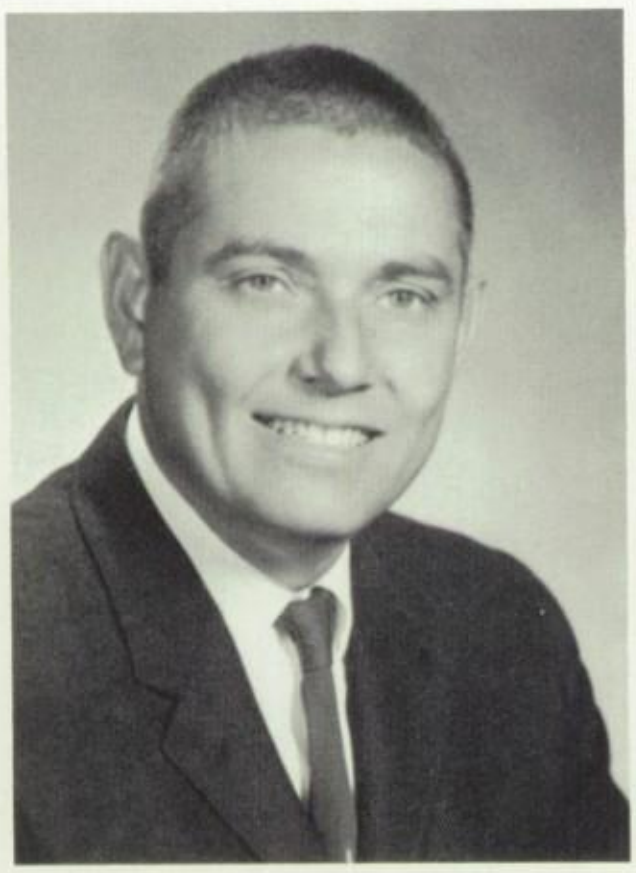
Ralph P. Harbison



Roger Laramore
Indiana . . . . . M.S.
High School Principal

The high school diploma may be the entering wedge for the job; but knowledge, skills, and desirable citizenship traits are demanded if you are to advance or remain in contention.

Roger Laramore



James Hamblin
Ball State . . . . . M.S.
Junior High Principal

Although the chief purpose of education is growth in knowledge, it is also important in the formation of habits. One of the good habits is being on the job every day and seeing the job through. Modern industry is quite concerned with employees having good attendance. It has been proved that there is a direct correlation between school attendance and attendance on the job after high school. Also the schools have proof that poor attendance and poor grades run together. My thought to you would be that you be in school **every** day. It will help your grades now, will help you acquire a job after high school, and still later will help you keep that job.

Services to School System

SCHOOL BOARD MEMBERS: James Polen, President; Art Yurilas, Treasurer; Ralph Haribson, Superintendent; Leroy Gudeman, member; Harold Weinberg, Secretary.

Jerry Marshall, secretary to the school board; Donna Riehle secretary to Mr. Harbison; Dorothy Milner, secretary to Mr. Hamblin; Bonnie Taylor, secretary to Mr. Laramore.

The Knox School board is composed of a group of men who are constantly striving to better the Knox School System. This year the board was increased to five members with the addition of Mr. Yurgilas, Trustee of Washington Township, which became a part of the school system. Some of the new additions provided by the school board to the school system were two bus garages, housing sixteen buses, new light fixtures in the high school, and new desks in the junior high study hall. We are grateful to the School Board for the fine work they accomplished.

Knox High School Opens the Pathway

IN THE GUIDANCE room Mr. James counsels students in preparing for their future.

A school offers many pathways for a student to follow, but the greatest of these by far is the pathway to knowledge. Taking part in activities, meeting and making friends, enjoying games, parties, and dances are all important but the criterion of every student should be the acquiring of knowledge and the developing of the mental power. Knox High School offers a varied curriculum to meet these needs—liberal art subjects such as English, foreign languages, mathematics and the social studies to develop the mind; cultural subjects such as art and music to encourage appreciation; and practical subjects such as stenography, bookkeeping, agriculture, home ec, and shop to prepare the student for everyday living. The school opens the gates to these pathways; it is up to the students to follow them to success.

Fay and Bob Were Honored Again

Mr. and Miss Knox High School Fay Clemons and Bob Pulver were elected by the vote of the entire student body as the most representative students of the senior class.

Fay and Bob participated in many activities during their four years in high school. Fay was in Student Council, Thespian Club, and Shakespearean Club. She was secretary of her sophomore class and was elected Miss Knox Junior High when she was a freshman. She was also in both the Prom and Homecoming Court. She is most remembered for her three years as varsity cheerleader.

Bob was Mr. Knox Junior High in his freshman year and was president of his freshman and sophomore classes. He took part in track and football in all four years of high school. He was also in Student Council, Shakespearean Club, and K Club.

An Intimate Moment with his second wife.

On April 24 and 25 "Blithe Spirit" was presented, under the direction of Robert Mulligan. The play is an improbable farce in three acts which is proclaimed as one of Noel Coward's greatest works.

Karen Nichols did an excellent job as Madame Arcati, a spiritualist who has contact with the supernatural. The humor of play is displayed in the scenes where Madame Arcati brings back from the dead the first wife of Charles Condomin, who is now faced with two wives. Pam Shaw and Connie Tolson, the two wives of Charles, who were terribly jealous of each other and attempted to gain Charles' love away from the other, made their parts most realistic. John De Somer, the husband who was torn between two loves, portrayed the confused husband in a humorous manner.

Minor parts were played by Steve Berning, June Zingarelli and Patty Crider, who also did a fine job in this production.

Sonny Wyland Wins Award

Sonny Wyland, Student Body president, won the highest honor for athletics a boy can receive. The Ben Bowen award represents clean living, sportsmanship, athletic ability, support of school activities, and good scholarship.

Sonny's outstanding ability in athletics, scholarship, and participation in school activities gained him the award. Sonny participated in varsity basketball for three years and was chosen captain in his senior year. During his three years of varsity competition, Sonny scored a total of 622 points. He was also in varsity cross country for two years.

Besides being student body president, he was vice-president of the K-Club, a member of the school play cast, and an honor student.

Sonny is now attending Indiana University. Knox High is proud of Sonny and wishes him luck in the future.

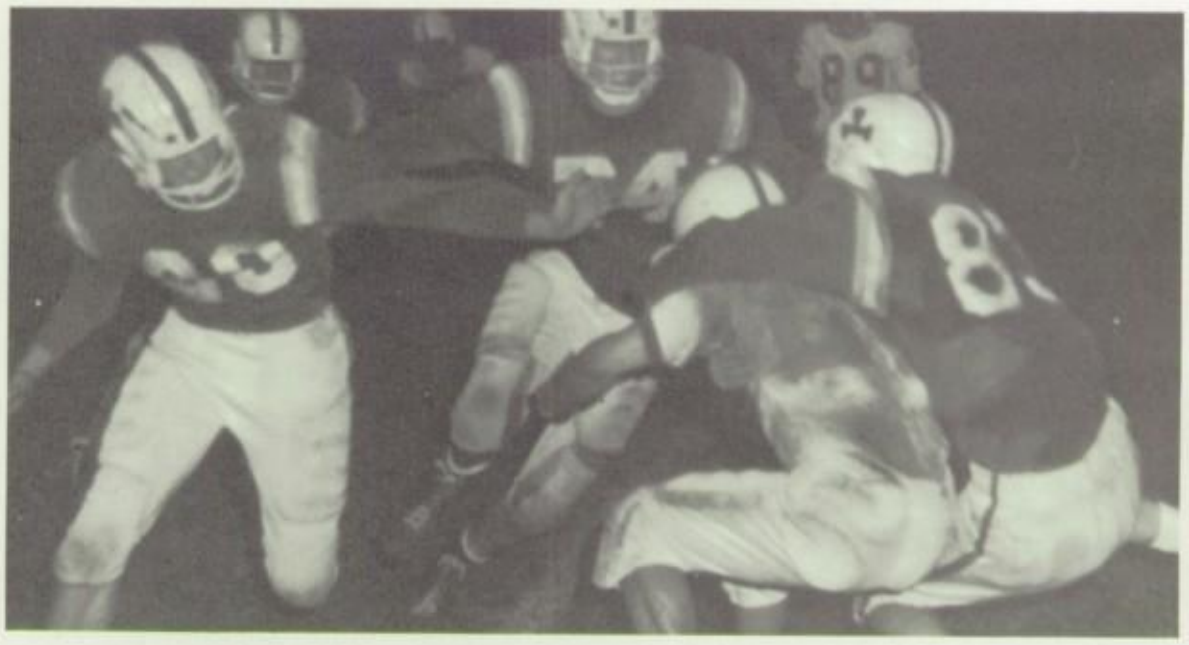
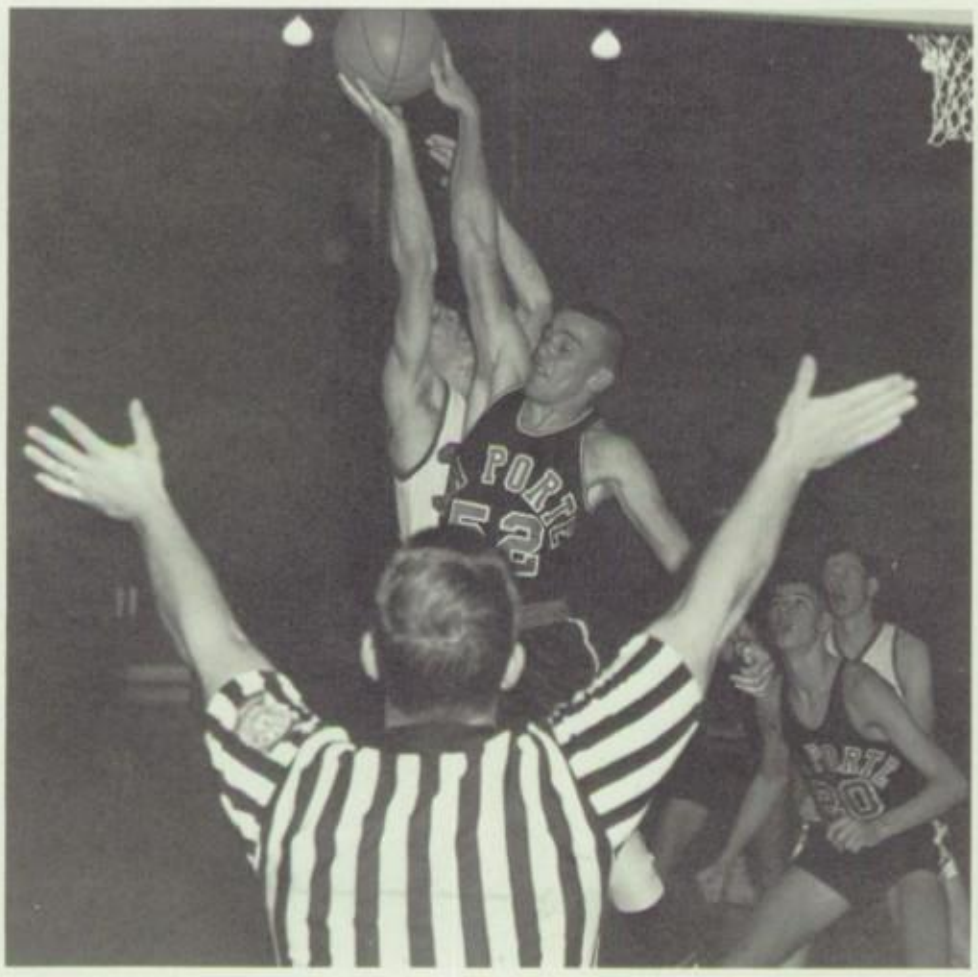
For Which All Athletes Strive

Knox High offers many different sports for the boys: basketball, football, track, cross country, and wrestling. The desire to win is always paramount in the minds of the athletes, but also the joy of participating and the practice of good sportsmanship is very rewarding to the boys.





Social and Special Events

ON NOVEMBER 3 the seniors conducted a mock election.

Homecoming, 1964, was an event that will stand out in the memories of all. Long hours were spent during the entire week building class floats, campaigning for queen candidates, and making sure everything was set for the big day.

The night before the game the snake dance and bonfire aroused the school spirit of everyone. Then the next day the pep rally began amidst screams, laughs, and cheers.

The game at night was a disappointment to the fans since the team lost 6—35. However, the spirits were lifted by the crowning of the new homecoming queen, Judy Wunder, by Sally Brown, the 1963 queen, and by the dance after the game.

The Knox Redskins basketball team finished the season with an 8—15 record. Although the team had a losing season, six games were lost by four or less points. The Redskins played many fine games especially in the two victories over a strong North Judson team.

The Redskins gave the fans many exciting moments during the sectional by winning the first two games from Oregon-Davis and Richland Center. They lost the final game, however, to a very strong Winamac team.

Senior Steve Harbison was voted captain of the squad by his teammates. Other seniors who will be missed next year are Bob Smith, Jack D'Amato, Bob Garr, and Mike Henry.

Next year's team shows lots of promise with returning varsity performers Jerry Johnson, Larry Richie, Jim Landrum, Bill Wilhelm, Dave Pinson, and Tom Wilhelm.

The Knox Redskin football team finished the 1964 season with a 2—7 record. Although the season record was not too good, it was not indicative of the many fine moments of football played. Throughout the year many key players were hampered by injuries.

Knox lost the first three games to three good teams: Plymouth, Bremen, and New Carlisle. The Redskins finally got into the win column with a 13—7 triumph over R. Prairie. Knox again dropped three in a row to N. Liberty, Rensselaer and Twin Lakes. Knox gained their second victory of the season with a 20—7 win over Walkerton. The final game of the season was lost to arch-rival North Judson, 21—0 in a well-played game.

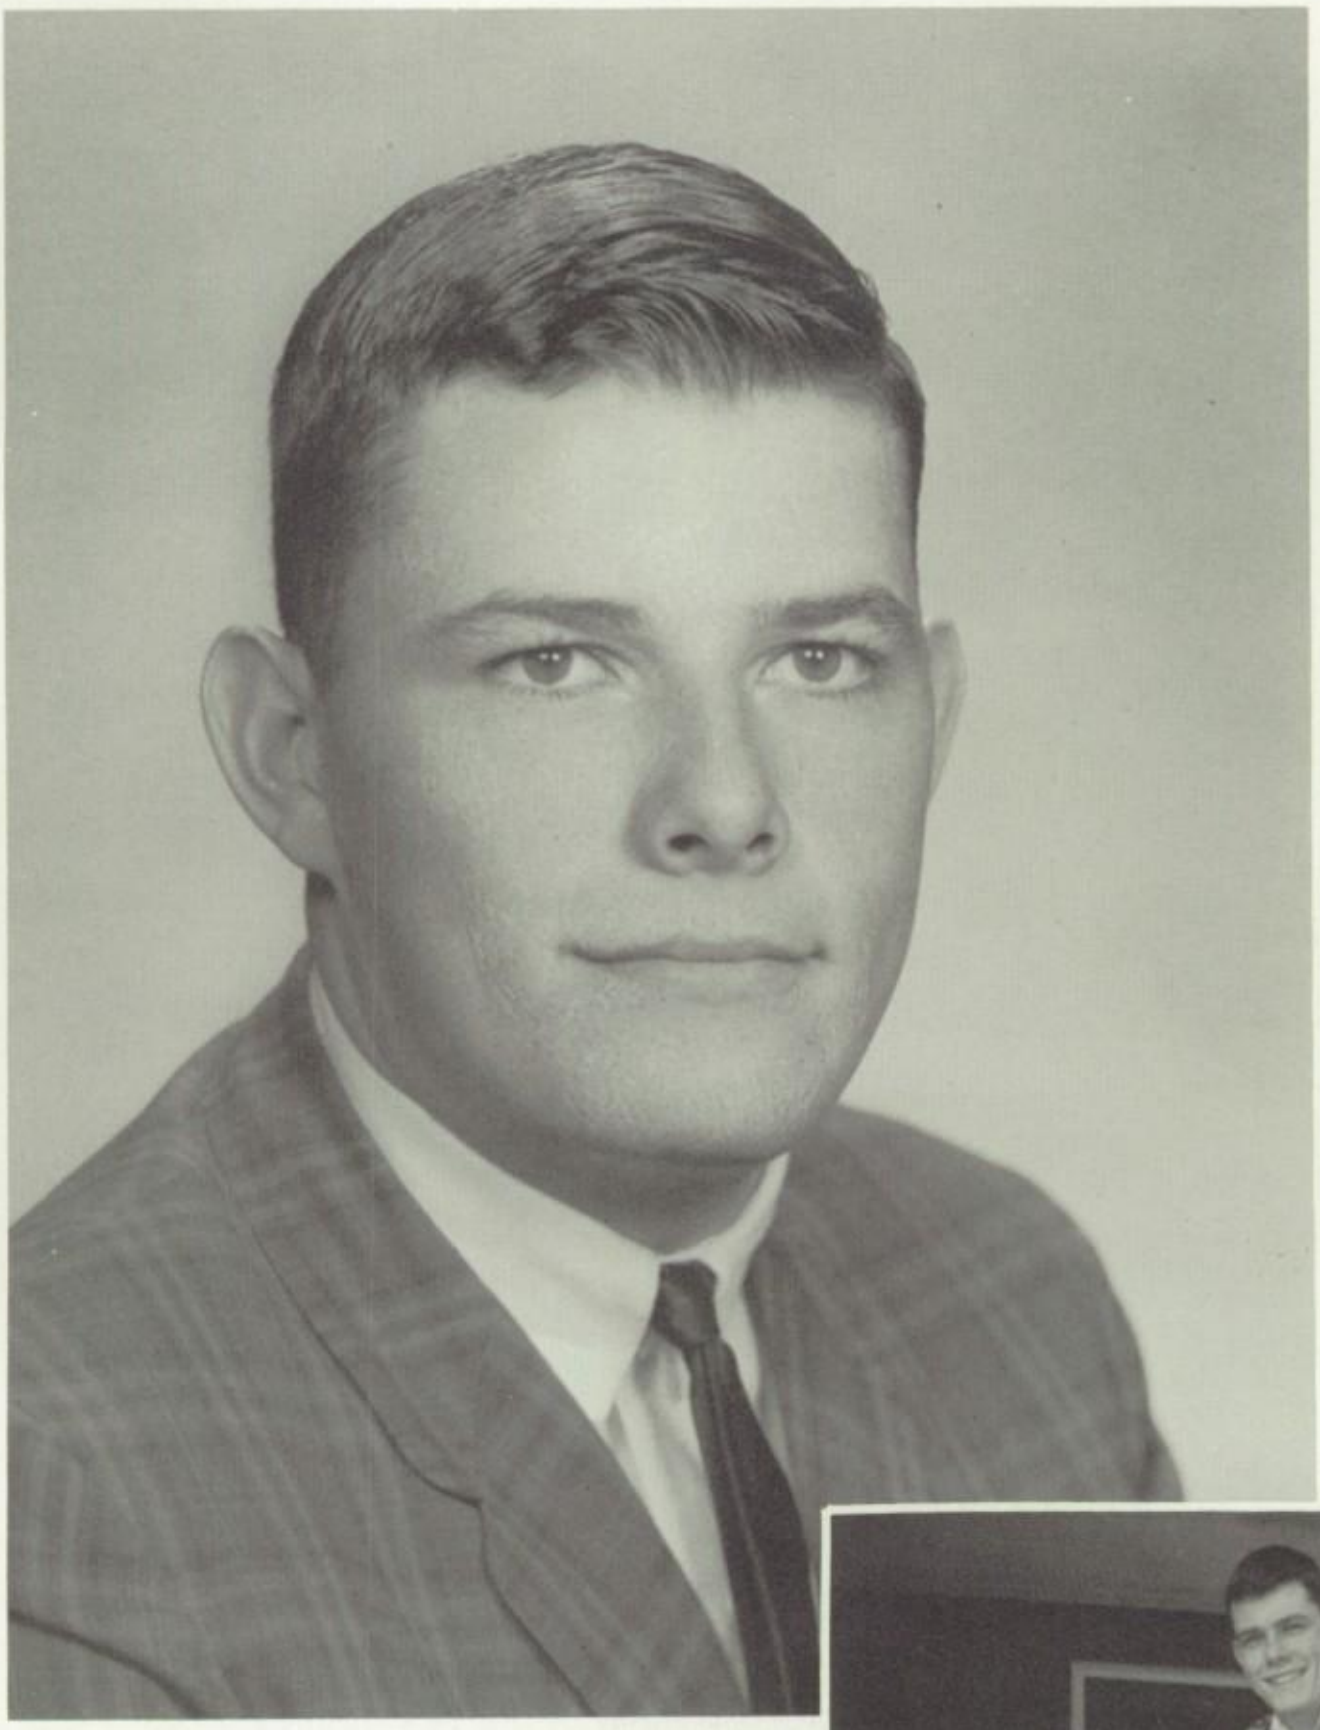
Pathway to Unity

Student Council Helps



Thomas Heilman

Tom Heilman was chosen by the students of Knox High School to hold the office of President of the Student Body for the school year of 1964-1965.

Tom has been very active in student government and in several extracurricular activities. He was the varsity basketball manager for two years and played varsity football his senior year. He has presided over the lyceum programs, read the daily announcements, and conducted the meetings of the Student Council.

Knox High is proud of Tom and wishes him success in his future years.

The Junior High and High School Student Councils, consisting of representatives from each individual class, acted as official hosts for their respective buildings at open house. The Senior High Council was very active. They ushered at Lyceum programs, sponsored a dance and career night, and also worked on an effective welfare program for Christmas, collecting food for needy families.

Especially proud of their finished product was the annual staff. Of course, each member knew that without the constant prodding of the sponsor Mrs. Hite and the co-editors Judy Wunder and Marilyn Anderson the 1965 Sandbur would not have been possible. Business manager Jack D'Amato was responsible for the money and the ads which are needed to produce an annual.

The photographer Denny Suttinger worked hard taking and developing pictures for the annual.

The K-Club, under the direction of Mr. Rush, is composed of 42 members: 17 seniors, 19 juniors, and 6 sophomores. To raise money for the club, the members sold decals and license plates.

The K-Club purchased a display for pictures of the various athletic teams of the Knox High School. This display was placed in the front hall of the gymnasium to give the fans a better look at sports at K.H.S.

F.F.A. Trains for the Future

The Future Farmers of America is one organization that teaches boys of high school age the importance of producing food for the world's thriving population.

Farm maintenance and soil conditioning is illustrated through books, lectures, and by using their knowledge while working on projects.

The students show their ability by competing against other chapters in contest. The F.F.A. is one organization that is very active and widely emphasized.

The X.E.N. Science Club combined work with pleasure by taking care of its business every other Tuesday during a social luncheon meeting.

The main duty of the X.E.N. Science Club was to sponsor and organize the 1965 annual Science Fair.

The club under the direction of Mr. Gates promoted interest in the various fields of science. Each member was compelled to work on a science project and display it in the annual science fair. This year the members, worked on various projects in chemistry, biology, biochemistry, physics and other numerous fields of science during their spare time.

THE DRUMERS CAUGHT in action.

The marching band of Knox High School consists of 66 members and 12 pom-pom girls. The band was organized at the beginning of the summer for the purpose of marching for various parades in Knox and in the La Crosse Harvest Moon parade. The Band worked the last part of the summer on their football shows. The shows used this year were all precision drill marching maneuvers, set to marches and show tunes.

The highlight of the season was the trip to the Purdue Band Day. Our band was one of 114 bands who worked in the rain at the game in the afternoon. The marching band has appeared for more than 20,000 spectators this year.

Following the marching season the band gave a concert in combination with the choir on December 16. On February 19 the annual mid-winter concert was presented. On the weekend of March 19 the band took a tour. They visited different schools and met new students, plus seeing many exciting sights. April 10 marked the annual band contest held in Angola. This event is always one of the highlights of the year. May 14 the band had their second annual Pop concert in combination with the choir. A dance followed with music by the dance band.

MEMBERS OF THE FHA worked hard to make their bake sale a success.

The Future Homemakers of America was organized to help the girls learn more about homemaking.

The club met every other Thursday night under the sponsorship of Miss Phillips.

This year has been an enjoyable and successful year for the club. During the year the girls participated in many activities, such as preparing a float at Homecoming, nominating a homecoming candidate, decorating the school at Christmas, filling a food basket, and sponsoring a skating party with the F.F.A., a bake sale, and the banquet for the basketball boys and coaches.

The Future Teachers of America is a club organized to help high school students understand the problems and rewards of the teaching profession. Under the guidance of its new sponsor, Mr. Kidd, the club experienced a busy year.

Early in November new members were initiated into the club at the traditional candlelight ceremony. In December a bake sale was held and in January the club sponsored a dance after the Plymouth game. But the most important experience was the chance for members to actually participate in teaching as cadet teachers.

The Girl's Athletic Association of the junior high school, sponsored by Miss Whittenburger, is a group of seventh and eighth grade girls who wish to participate in the many activities offered by this recreational club. At regular meetings on Thursdays after school in the junior high gym such activities as volleyball, deck tennis, basketball, and dancing are enjoyed by all. Rewards are given for attendance at meetings. With two points given for each meeting attended, forty points are required for an award. The seventh graders receive a two inch "K" while the eighth graders receive a G.R.A. pin. Money received from various means and extra money are used to pay for the pages in the annual, the awards, and other miscellaneous expenses.

Will Find Many New Pathways

Sponsors: Mr. Beeson, Miss Peak, Mrs. Hite, Mrs. Lucas, Mr. Graham.

On May 29 the class of '65, full of hopes and ambitions, thinking about the past years, the present rushing days, and the unknown future, reached their long waited goal—graduation. Their thoughts will always linger some on their days as high school students. How enthusiastically they had led the Junior High School as "green" freshmen and anxiously prepared their courses of education. Study, study, study seemed to be the theme for them as "silly" sophomores. To climax their "jolly" junior year, they presented the prom, "Singing in the Rain", which was enjoyed by the students and will long be remembered. And now as "mighty" seniors they led the school with high ideals and proud ambitions.

Graduation always marks the end of three wonderful high school years. They look back many times on those happy care-free days, but also they will look to the future with eager anticipation.

THE SENIOR CLASS float won third prize at Homecoming.

Top Twelve Seniors Excel Not Only

Christine Neander earned the highest scholastic grades for three and a half years of high school and thus became the valedictorian of the class of 1965. Christine left Knox in her freshman year and enrolled in Valparaiso High School until her Senior year when she returned to K.H.S. for her final high school year. Christine was a semi-finalist in the National Merit Scholarship Test, a great recognition of a student's scholastic ability. She was an enthusiastic cheerblock member, a member of the Shakespearean Club, and also devoted some of her time to work in the library at the school. She plans to further her education at Indiana University where she plans to major in Political Science.

Carolyn Lucas, who was this year's salutatorian, also excelled in activities both in school and out. Carolyn has spent nine years in 4-H and now is president of her local club. In her fifth year in Junior Leaders Club she is its secretary. In school activities she participated in cheerblock and the science club. She is very interested in the fields of science and plans to continue her interest at Purdue University by majoring in the teaching of science.

Carolyn Lucas, Salutatorian; Christine Neander, Valedictorian.

GOOD STUDENTS BOTH work and play.

in Scholarship but Also in Activities

STANDING: Bill Johanan, Jack D'Amato, Tom Heilman, John DeSomer, absent. **SITTING:** Cindy Hapeman, Linda Kartman, Marsha Hauser, Marilyn Anderson, Rozella Jarrett and Karen Nichols.

The Senior Class is very proud of its twelve top students. They have excelled in their scholastic work and also in participation in other ways. Among these honor students we have the president of the student body, the president and the secretary of the Senior Class, the K-Club president and secretary-treasurer, the D.A.R. Good Citizen, the Girls' and Boys' State representatives, the Science Club president, the president and the vice-president of the Thespian Society, the vice-president of the Shakespearian Club, one homecoming queen candidate, three prom queen candidates, one varsity basketball player, three varsity football players, two varsity track men, the co-editor and the business manager of the annual, the cheer-block president, one varsity cheerleader, the vice-president of F.T.A., the president and the accompanist of the chorus, and the vice-president and secretary-treasurer of the Student Council.

This proves the fact that students can take part in activities and also be good scholars.

HONOR STUDENTS ENJOY extra work.

When the class of '66 entered the halls of K.H.S., they found something new awaiting them —the fact that they were now upperclassmen.

One of the highlights of the year was the making of their float entitled "Atom 'N Smash 'Em." Their hard work was rewarded, as their float took first prize. Other highlights included the selecting and receiving of class rings, sponsoring two dances, and the Junior-Senior Prom. As money-making projects, they held a bake sale and a chili supper. All these activities were conducted under the direction of their sponsors.

Sophomores Enter the Halls of K.H.S.

No longer the "Big Shots" of the Knox Junior High School, the graduating class of 1967 entered the great halls of K.H.S. greatly anticipating the year ahead and planning to make it one of their best.

They were excited to become a part of the Knox High School. The new Sophomores started the year by choosing Linda Wentz as their Homecoming Queen Candidate.

The Sophomore class sponsored a dance in the study hall after a home game and also had a class party.

Sponsors: Mr. Fites, Mr. Nickolich, Miss Phillips, Mr. Kidd, Mr. Miller.

STANDING: Cathy Crider, Student Council; Debbie Welkie, Secretary; Tom Wilhelm, Student Council. **SITTING:** Pam Emigh, Vice-President; Larry Sands, President; Peggy Hauser, Treasurer.

This year's one hundred seventy-three Freshmen composed the largest ninth grade class in KJHS history.

Among their activities were making a float, that had the theme "Lick 'em", and a fall party, which was a record dance in the junior high gym.

By the end of the year all had gone through some trials in math, English, home ec., Latin or German and their other subjects; and each member had found his or her place in the class of '68.

That faith in God gives meaning and purpose to human life;

That the brotherhood of men transcends the sovereignty of nations;

That economic justice can best be won by free men through free enterprise;

That government should be of law rather than of men;

That earth's great treasure lies in human personality;

The Final Copy Is In

It's finished! The last picture has been taken and the last copy has been typed. With a heavy sigh we sit back and present the 1965 SAND-BUR to you.

As this book grew, it took the work and cooperation of many. We are indebted to the faculty for allowing class interruptions necessary for many of the pictures in this book.

We must not forget the one person who made this book possible, Mrs. Hite. Without her experience and assistance we would have been lost.

So here it is. We sincerely hope that all of you will find cherished memories between these pages.

AH, AT LAST it's finished.
